EXPERIENCE

Audit Assistant

Deloitte & Touche S.p.A.

10/2018 – on going Milan

After a 3-months internship I earned a full-time position with the recommendations of two senior managers:

- Contributed in the valuation of 6 financial investments made by a client worth 650 millions
- Worked in a large team (25 people) and developed great human relations with my coworkers
- Learned how to use Excel and Power Point at a professional level and to work on effective presentations with Qlik

Sales Assistant

Alberto Aspesi & Co.

02/2014 - 05/2017. Milan

Worked part-time in the Milan flagship store of the high-end brand Alberto Aspesi & Co. and experienced direct interactions with clients from all over the world:

- Engaged with a very diversified range of customers (top 3 nationalities were Italian, Japanese and American) and gained an intensive experience in an uptight but also creative environment
- Effectively improved my selling skills and created strong relationships of trust with some of my clients

STRENGTHS

🌍 International Background

I come from an extended family spread in the five continents. Since I was a child I was drawn to exploration and understanding of new cultures and points of view.

🚀 Creative and Analytical

My whole life I was surrounded by artists, creators and disrupters and I became one myself. I always felt free to express myself and that involves combining my passion for numbers and my creativity.

SKILLS

Microsoft Office (Pro Level)

Qlik

Bloomberg

ACHIEVEMENTS

🎵 Together I organized a music festival in the Umbrian countryside called "Suoni Controvento", inspired by the echo of sounds through the mountains.
